Bishop Dwenger Celebrates Together

Father Srieglitz, Bishop MacManus, and Father Shafer celebrate mass on Bishop Dwenger Day

Bishop MacManus Confirms some students.

Michelle Shaffer distributes Holy Communion.

Mirch McKinney shares his talents with us by singing at mass

One Streadfast tradition at Dwenger is our school mass. A time for everyone to stop what they are doing and come together for an hour and a half to celebrate the central theme of this school: God.

This year more than ever the masses were appreciated and fully participated in. In our masses our theme of Hospitality always came through.

Our school is centered around Christ, whose body and blood we receive at mass.

Bishop McManus seems enthused about celebrating mass with us

Mass has always been an important part of Dwenger.

Jack Halleart, Mike Leeuw, and T.J. Brandt assist in the celebration of the mass.

Bishop McManus shows Maureen Jehl, Donna Sommers, and Leeso Kohrman how proud he is of his new Dwenger Jockey.

The Student Council was a very Important part of the Dwenger Family this year. They sponsored the montessorri party, dances, and had a faculty appreciation breakfast. The Homecoming spirit week, to say the least, was one of the best! The entire Dwenger Community appreciates what the Student Council had done this year.

Kathy tells it all to Santa Claus (Rob Winkeljohn).

The halls were always well-decorated to keep up everyone's spirits.

The Science Club Officers John Freiburger, Drew Bobay, Patrick Berghoff, Mr. Phillips.

Mr. Thompson shows some Computer Club members some of the more complicated aspects of the computer.

Students accomplished a lot through clubs this year. The Key Club sponsored many unforgettable dances and the proceeds were generously turned over to a service organization. The French and Spanish Clubs sponsored a trip to Chicago for its members. The Latin club celebrated Saturnalia with a traditional toga party. The German Club participated in International Day with the other language clubs. The Science and Medical Careers Club sponsored candy canes that were sent out at Christmas. Those in the Computer Club increased their knowledge of and the ability to use the new computers. The Speech Team always come away with top prizes at their meets.

The Latin Club celebrated Saturnalia. These members are dressed as the ancient gods.

Sharing with friends, working as a team spending time together; talking, laughing, having fun and at the same time learning — that's what happens in clubs. Strangers who have a common interest, come together and become friends. They give a little bit of themselves to one another and together they enjoy their four years of high school. The bonds made, the things learned and the good times enjoyed through clubs are the things that not only make them work but make them worth while.

The Fourth Period chorus.

Chorus has always been a great opportunity for many students. It gives them a chance to use their talents of singing. This year voices brought us many joys. The students and Mrs. Levy put on terrific concerts into which they put a lot of work. Mrs. Levy also guided the students in singing for Mass. Their songs always added to the spiritual quality of the Eucharistic Celebration. We are all very proud of the job they did this year.

Michele Shaffer gives us an opportunity to pray through song.

Needless to say, all of the students of Bishop Dwenger are outstanding. Once in a while, however, some especially outstanding people are recognized for their work. This year these people were recognized in one of two ways. If they were Dwenger Scholars they were honored at a reception held in May. Juniors and Seniors were accepted into the National Honor Society.

Kelly Christie, Prom Queen, dancing with her escort Mark Hendricks.

This group must be boring to Chris Sanford.

The 1983 Prom Court dances the night away

Jenny Dumas is more excited than the Prom Queen Kelly Christie.

This bunch shows every ones feelings about the Prom, all smiles!

Looks Like

"It looks like we made it", and did we ever finish it right. We started the evening by attending various restaurants in our finest. We then danced the evening away at Don Hall's Guest House. They also served us breakfast,

We Made It!

which we were all ready for. The evening ended with the fantastic music of Endgame.

The Class Of '83 Is Proud To Present . . .

Pere Graves and Jane Boyce clowning around as usual

Lisa Arara always seems to have things scattered around.

This shows how unorganized Phil Tabin can be. He missed the pictures at the Old Fart.

Friendly and bright, that's why Bill Daugher and Jenny Dumas have the best personality.

Every one wishes they were dressed as nice as Jerry Nix and Lynn Schlenkofer.

Paul Quigley and Michelle Shaffer are the most musical.

Dave Isaacs and Maureen Jehl seem to be able to do every thing. They are best all around

Par Roberts and Parri Hudak most punk? I'm sure, gag me, it's like wow!!

Tim Coonan and Jackie Mumper's charm and flirting seem to overwhelm people.

The athletic ability of Dave Kinniry and Amy Hile help give us pride in our school.

Frank Daugher and Mary Woenker are two most artistic people in our class

Todd Sandman and Carolyn Bookmyer entertained us through out the year.

Mike Nowlan and Leesa Kahrman show us their pretty smiles.

Don't hide Joe Hilker; Mary Romie is just as shy as you.

Sally Schreck and Tim Goheen (missing) are always friendly and smiling when you see them in the hall.

Well we did say that Rob Winkeljohn and Linnea Possino were outgoing. But you didn't have to show us Rob!

John Freiburger and Sandy Linder show us just how hard working they really are

If Norb Knapke and Jenny Hatfield are likely to succeed, they're not off to a very good start.

Here are the two that think of every thing. Jeremy Quirk and Joleigh Mikula are the most clever.

Every one likes Mike Schoenle and Laurie Ryan, they are the most popular.

Baccalaureate Mass

The Graduates stand during Bishop McManus' sermon.

On May 27, 1983, the Senior class celebrated their final mass as a class. There were both smiles and tears. Bishop McManus gave a very moving and hopeful sermon. Mass ended with a blessing from our parents which touched all of our hearts. After Mass we gathered for an awards banquet at the Scottish Rite. Many awards and scholarships were handed out.

Norb and Jenny receive their honors.

Debbie Gibson receives a Zonta Club Scholarship.

John Busch and Capt. Brad Crank. John was awarded an ROTC Scholarship.

Bishop McManus reads the gospel at the Cathedral.

The Graduates and families.

Mr. Gaughan receives a special award from the United States Air Force.

Karie Ohlman receives her diploma.

Marry is congratulated by his father.

The happy graduates.

Fr. Mike Buescher gave the Commencement address.

These men are ready for their future.

The Graduating Class Of '83

Hope, fear, joy and uncertainty: These were the feelings of the DAY. Farther Buescher gave a super speech about being different and being our own person. After graduation, there were many parties to attend, many relatives and friends to see. This was a day no one will ever forget.

Bill Dougher; Mark Hendricks; Barb Fipp; Frank Bougher.

These fellows are checking to see if it is signed.

Love Is Caring Enough To . . .

April 29, 1983 was a day many had been waiting for and it finally came. It was Junior Day for the Class of 1984. The day began with the mass being celebrated by Fathers Shafer, Stieglitz and Wiedmann. The theme of the mass was "Love is Caring Enough To . . ." Class rings were distributed by Mr. Gaughan with the assistance of class moderators Mr. Tierney and Mrs. Spohn. A special feature was when Mr. Tierney sang a song he had written for the juniors. He also played his guitar. After the mass, the Juniors had a brunch at the Heritage House. Many parents joined their children at both the mass and the brunch. The afternoon was spent in various activities including trips to Pokagon and Iskes. Junior Day was brought to a close with a dance held at the Shiloh from 9-12. The music was supplied by John Passino. Junior Day 83 was a fun filled day that will be remembered by all the Juniors.

Mr. Tierney, Class Moderator sings a song he wrote for the Junior Class.

The Chorus performed songs that were selected by members of the Class of 1984.

The young women harriers put in a fine performance under the capable leadership of Coach LaBrosse. This is only the third year of competition for the girls and considering that, they did a fine job. Senior Barb Fipp led the girls this year.

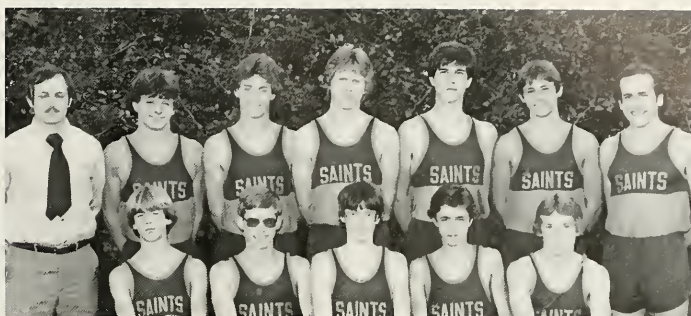

Yeah Theresa You won again.

Mrs. Nelson gives Barb a person-tip about winning

Is this an Olympic star of the future?

Stranding: Coach LaBrosse; Joe Collis; George Makoviz; Ron Chachalak; Mark Ringswald; Mike Schoenle; Tim Goheen; Kneeling: Mike McMahon; Dave Romie; Steve Shannon; Rick Painsotte; Bill Rooney.

You're almost there Mike.

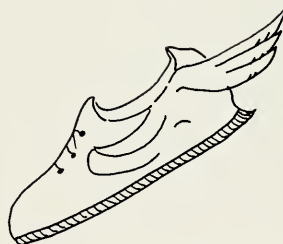

Who could mess with this team?

The 1982 Cross Country team ran well this year. The seniors Mike Schoenle, Don Uecker, Joe Collis, and Tim Goheen turned in impressive performances. Most of the meets were held in very cold weather and it is a credit to the boys that they did so well. Congratulations to Coach LaBrosse for another fine season.

Mr. LaBrosse keeps his eye on the opponent.

Boun C'en Up The Line

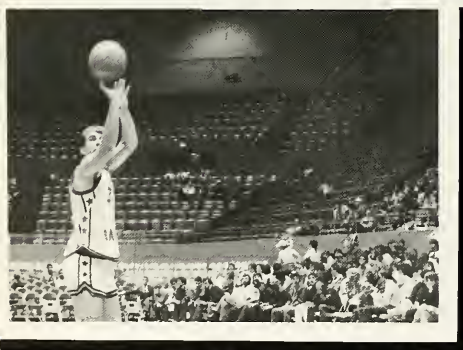

Mr. Craft and Mr. Herber did a lot to support the team.

Kevin Cagner had just the right touch to send the ball to the net.

Mike Nowlan is just ready for the other team's first mistake.

Chris Pelkington's high jumps and far reaches gained many points for the B.D. team.

"The key is we play our games as a whole team." R.H.

A new assistant coach, Mr. Dwight Craft, brought new enthusiasm to the team.

Dwenger has fluctuated more than the stock market this year, playing some good games and some not so good ones.

"They have character and composure in right situations." R.H.

Anticipating a win was keeping the team on the edge of their seats.

"O.K. This is the way we're going to do it," dictates Mr. Herber.

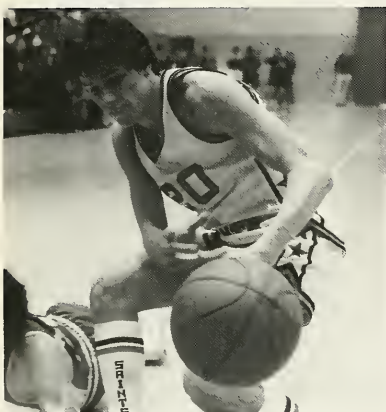

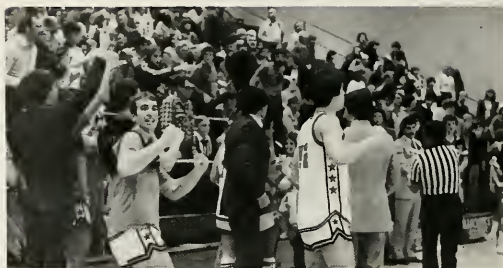

Darren's teammates come to his aid.

Grasping For The Win

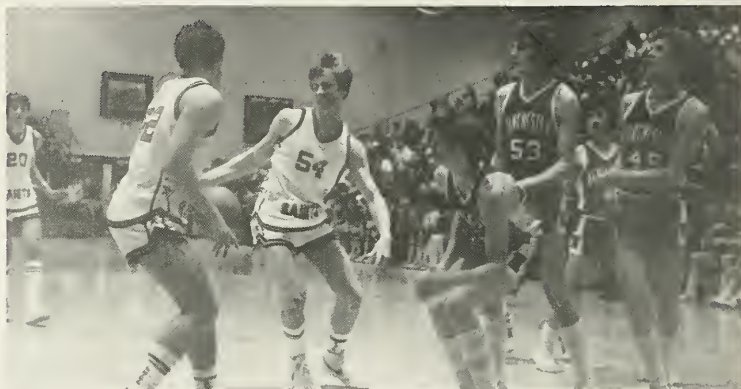

No, Greg this isn't acrobatics just basketball.

B.D.'s win brings excitement to the team.

Joy was a great asser to the team.

The Saints held their ground through some rough games.

Margarer had to really concentrate for this performance.

A back walkover was just one of the requirements Sara had to fulfill.

Jenny's great routines inbables her to win many meers.

The 1983 gymnastics season ended with 8 wins and 3 losses.

The most improved award for the 1983 season went to Kathy Jordan. Jenny Dumas received the best attitude and best gymnast award.

There will be many returning gymnasts next year who will try to live up to or surpass the great recorded for this year.

Cooch Painsarre gave the girls encouragement and support.

Anyone For Basketball?

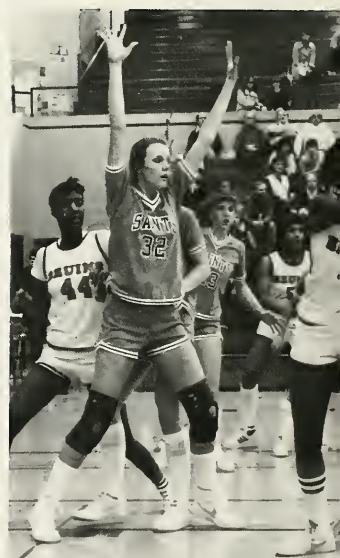

Is this Ring-Around-A-Rosy or basketball?

Chris style of shooting amazed the players since she shot from the air.

The game was close until C. Banahoom made 3 consecutive steals. A Hile shot 26 points to bring B.D. another win and a 5-0 standing in the SAC.

B.D.	53
Northrup	52

The Bruins led most of the game until A. Hile went the length of the court for a layup. It was a game B.D. needed to win to keep their confidence up.

"Don't shoot," says Chris Field.

The girls motto: Dare to Dream; Be Supreme, encouraged them.

"The girls had an effective defense." M.S.

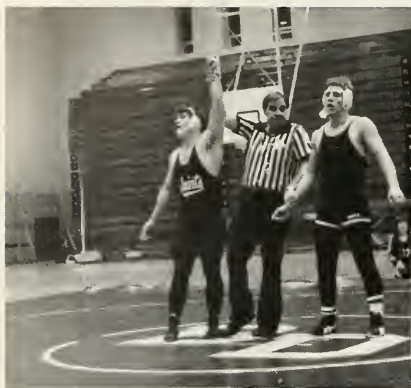

Amy Hile finished as the all-time scoring champ in the SAC.

During the Christmas Tourney the girls beat Northrup in the quarter-finals, 54-37. In the semifinals the girls played Snider and beat them 39-38. The finals gave B.D. the win with a defeat over Elmhurst, 50-26.

The wrestling team finished with 12 wins and 3 losses this season.

Eight wrestlers were alive in the semifinals, but when state rolled around Dave Kinniry was the only one competing.

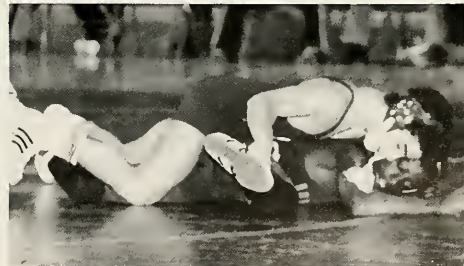

The reserve team did a fine job this year and also helped the varsity practice and backed them up at matches.

With crowds like this you can see what great support the wrestling team has.

"Do you surrender?", says Vince.

Coach Tone's force made the team work hard.

Break The Tape

Bill warms up before he competes.

The crowd was small, but the competition was fierce.

It takes a lot of skill to get over these hurdles.

Theresa was always a stride ahead of everyone else.

Co-operation made B.D. second to none.

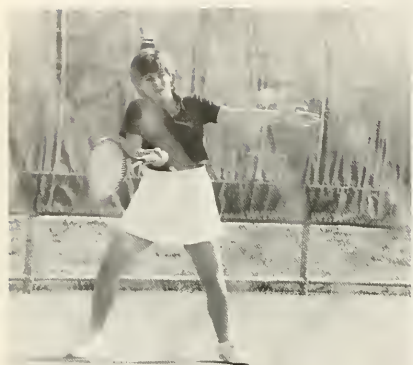

This B.D. runner gave it all she had to win.

Theresa set the pace for the rest of the runners.

The girl's track team had a fine year under first year coach Don Swartz and his assistant Miss Nancy Halter. Seniors: Barb Fipp; Laura Michelbrink and Rhonda Ryan did a super job as usual. Rhonda went on to the State meet. The men's track team also had a terrific year with Kevin Cagner going on to the State meet. Coach LaBrosse did a super job again this year. He will be losing seniors John Merkle, Mark Hendricks and George Voirol.

The golf team had some excellent talent this year. Junior Mark Eifert had his best year ever. For the first time Dwenger had a girl on the team. Only one golfer will graduate this year and that is Chip Tippmann. Congratulations to Coach Ryan for a good year.

Not only is the Baseball Team losing many talented seniors, this is the final year for the head coach Denny Bloom. Coach Bloom has been a great asset to Dwenger baseball and will be sorely missed by everyone.

Every morning when we arrive at school, the administration is very visible. The first figure of authority that one comes on is Mr. Herber who stands in the parking lot through any climate just to wave a friendly "Hi" or to inquire of you just came to sleep or listen to music. The next person you see is Father Shafer who stands by the office and greets everybody. Mr. Gaughan is usually standing upstairs. He also has a greeting for everyone and is willing to extend a hand to those who need it. If you get to first period without seeing one of these fine people consider yourself dead or in the wrong school.

One requirement here at B.D.H.S. is two years of a language. What language you ask? Well, take your pick, for those of you heading East, usually German and French are chosen. For those heading South or South-east, Spanish is a main language. Latin is also available for those who desire to have a better understanding of our own language.

Business Is Essential

- A It looks like Mr. Ryan is trying to fix another stubborn typewriter.
- B Mrs. Gloria Field
- C Mr. Krouse helps out John O'Boyle with his accounting.
- D To Tim Boboy, it looks like accounting is a foreign language.
- E Cindy Snyder decides to take a short break from reality

The business field is very essential for the future of the students. Accounting teaches a person how to keep records for a business, if it doesn't do anything else, it teaches the student how to balance a check book. Shorthand is basically a class where the students learn the alphabet over again by using symbols for words. Typing is also important because everyone will need to type sometime in their lives, especially in college.

Culinary Arts & Graphic Art

Dwengers Art Department may be small, but it does alot of work. They make up all the wall hangings for our masses and assemblies, they fill the show cose with their very fine art work and they do the bulletin boards around the school.

The Home Economics Department is a very important part of student lives. Both, the Dwenger young men and young ladies benefit from this class. They learn how to sew and cook which will come in handy when they are on their own. Most students need to know how to cook because eventually they will have to cook for themselves. Also, eating fast foods all the time can get tiring, not to mention expensive.

- F A freshman experiencing the true meaning of pain.

One freshman requirement is Physical Education. Freshman gain not only friends, but also a healthier body. One major change in this class this year is having it be co-ed. The new co-ed approach seems to have been widely accepted among those who are taking the class. Another change this year was a uniform of blue shorts and a gold top. This, like our school uniforms, will cut down on the cost of clothes for the students.

3. Juniors know that homework and hot-dogs don't mix.
4. The Hoppy Cookers!

The Cafeteria Staff works hard to see to it that the students at Bishop Dwenger are fed wholesome and nourishing meals. There is also a soup and salad bar which features the soup of the day and a large assortment of salad toppings. The lunch hour is a welcomed break from the daily grind of classes.

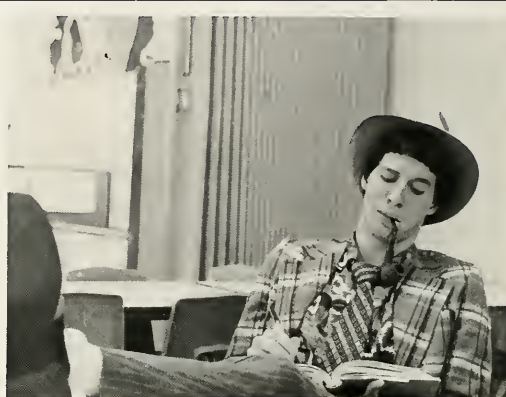

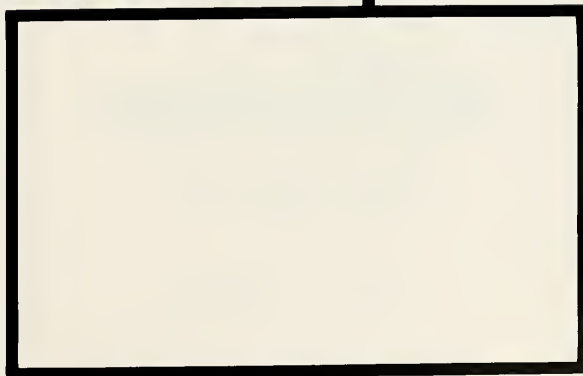

The Maintenance Department does an excellent job of keeping BDHS and sparkling. Two crews work day and night to see to it that halls are swept, boards erased, baskets emptied, bathrooms cleaned, and many other chores completed. When you walk into BDHS, you can really tell it's in tip-top shape.

We as the editors of the 1983 Aurecre feel that we tried to the best of our ability to produce a memorable book for our fellow students. Our first thanks go to Mrs. Cornell, she spent much of her time helping us and always seemed to be getting asked for more pictures. Another thanks to our editors, Jenny Koch (Assistant Editor), Carolyn Bookmyer without who we could have never produced this book.

A final thanks to the photographers from Watters as well as our school photographers. John Freiburger, Frank Baugher and the other photographers were always there when we needed more pictures to meet deadlines. And thanks to the many others not mentioned.

We would like to send forth our luck to Mary Brombreck, Judy Dippold, and Dave Ramie. These three and their staffs will be taking over for us next year. We hope that your years are as memorable as ours and that you enjoy yourselves. Thanks for all your help and understanding.

Thanks,
